Volume 1

NEWS YOU CAN USE

Testing Dates:

Students will be taking the Stanford 10 diagnostic assessment Tuesday and Wednesday of next week from 8am-10am.

Lunch:

This year we can no longer allow outside food to be dropped off and delivered to students. Students will need to bring their own lunch or will need to purchase a lunch through the lunch program.

During drop off and pick up:

We asked that parents and families only turn right to exit the parking lot. This is to move traffic along quickly. Thank you for your help with this important detail.

Planners:

Students should have received their planners on Thursday. Please help our students use this tool effectively and ensure that your student is taking advantage of this resource. If your student was absent or did not receive a planner, please see Ms. Perry in the Middle School Office.

Dress Code Violations:

Students will be cited for dress code violations beginning next week. Please ensure that students are in the appropriate school colors and uniforms. If your student's uniform items are on back order, please send a note with your student. If you need further assistance regarding uniforms, please contact the middle school office for further information.

After School Procedures:

Parents are not allowed to head towards middle school, high school, or the multipurpose area after school. We ask that you wait for your students near the front office area. If you have a scheduled meeting with a teacher or staff member, you must check in at the main office to get a visitors badge.

The Campus will be closed at **4:30pm** and all students and individuals left will be asked to leave the campus. The only students who will remain are those in an organized sport or after school activity.

Lockers

Locker forms have been distributed to 8th grade students at this time. This is due to the availability of lockers since there are more students on campus. There is a \$5 deposit to obtain a locker and the locker form must be completed. Students can submit this form and the deposit directly to Mr. Whitfield, the Director of Security, before school, during lunch and after school.

We are seeking volunteers for drop off and pick up in the morning and after school. If you are able to actively help direct traffic and open car doors to help students exit please contact Ms. Perry in the Middle School Office. We greatly appreciate help in this area.
