NEWS YOU CAN USE

Wednesday, October 12, 2011 @ 2:40pm

Dress Code Violations:

Students will be cited for dress code violations. Please ensure that students are in the appropriate school colors and uniforms. Jackets need to be the school colors navy, burgundy, and white or black **no logo**. If you need further assistance regarding uniforms, please contact the middle school office for further information.

Every student is responsible for writing their homework in their student planner. Please review your child's planner daily to assure they are completing all of their assignments. Parents are welcome to send notes in the student planners. Student planners are checked during study hall.

Middle School students need to dress out every day in P.E., now including all Wednesdays, both regular schedule and shortened schedule. Please remind your child to remember their P.E. uniform and tennis shoes every day, and especially remind them on Wednesdays, when students wear dress shoes to school

Advisor: Ms. Walls
