The Code of Respect

The essence of good discipline is RESPECT.

Respect for authority and respect for others;

Respect for self and respect for rules.

It is an attitude that begins at home, is reinforced in school, and is applied throughout life.

*** On Friday January 13th we will have a practice assembly on The Code of Respect. Mondays and Fridays we will officially start to recite The Code of Respect! ***

Ms. Rachelle Nelson

Ms. Rachelle Nelson first saw the world she would take on to the best of her ability on April 3rd, in Santa Barbara, California. She attended Illinois State and also University of Phoenix. As a track star she received a scholarship, but it did not work as planned. Looking for a job she was hired as a preschool teacher and soon found her passion for teaching. Her passion also began when she saw things that she did not like in schools and felt the power to change them. In her free time she enjoys making many creations in the kitchen, and also watching her favorite shows like: “So You Think You Can Dance?”, “Grey's Anatomy” and “American Idol”.
